

mondte
The World of Tea

Spearheading Innovation and Excellence in Tea gastronomy, Mondte is a contrivance of 3 veteran tea tasters in Sri Lanka on a quest to deliver a plethora of signature teas thoughtfully blended with subtle flavours and botanicals, amusing thousands of tea lovers around the world.

Originating from the tea brewing capital of Sri Lanka, Mondte offers a myriad of delectable Pure Ceylon Black and Green teas hand-picked and brewed to perfection. Offering over 50 Unique blends of Fruity, Floral and herbal teas including a range of exclusive Seasonal blends, Mondte Tea specialists are committed to source the best single estate teas to enthrall your senses with every sip.

Inspired by the rich tea culture of Sri Lanka and having fashioned Sri Lanka into a popular destination for “Flavoured Tea” Mondte established its presence in the Luxury Tea Boutique segment, launching its first Modern Retail Concept outlet in 2016 in the renowned Dutch Fort in Galle. Incorporating a relaxing and refreshing ambience, the exquisitely designed wood paneled tea boutique stands testimony to the aesthetic image of Ceylon Tea. Customers who visit the outlet are blown away by the magnificent range of delicate botanical blends and the elegantly crafted signature packaging in Aluminum tins and teak finished wooden boxes.

This Passionate Celebration of Ceylon Tea has indeed caught up with many tea enthusiasts around Sri Lanka and in the World giving way to a second concept store in the Tropical coastal lines of Negombo in Sri Lanka. Offering a Unique experience of Ice Blended Teas to tourists and locals alike Mondte has evolved into a “Must Visit” outlet.

Cultivating a reputation for Innovative blends, unmatched taste and excellent service, Mondte is now retailed in the Maldives with the same passion and drive promoting tranquility and good health to the wider market who appreciate a refreshing cup of Tea.

mondte
The World of Tea

Mondte teas are made with specially selected hand-picked leaves enriched with unique tastes of Ceylon teas. There are six main regional tea plantations

- Nuwara Eliya, Dimbula, Kandy, Uda Pussellawa, Uva Province and Southern Province. The taste and color of the tea differs based on the location of the tea plantations.

CEYLON BLACK TEA
FBOP

BLACK TEA - 1000

NUWARA ELIYA FBOP

“A Binding blend of rich Pure Ceylon Black tea hand-picked from the misty mountains of Nuwara Eliya. Gives your cup a beautiful Golden copper infusion and tingles your senses with a light aromatic flavor”

MBTR - 1000

RUHUNA FBOP

“An imperial reminiscence of British – owned tea enterprises of early Ceylon, Ruhuna FBOP carries a unique Character and a mesmerizing Flavor that is powerful and refreshing”

MBTR - 1001

UVA - DEMODARA FBOP

“A Magical explosion of aroma and flavor that entralls all the senses, infused into a ruby – red Potion that persuades the second sip of even the most untrained palates. It is the Tea that persuaded a nation into indulgence”

MBTR - 1002

DIMBULA FBOP

“Situated between two high plateaus at an elevation of 4,000ft above sea level, uninhabited and almost impenetrable for the longest period, commonly referred to as the Land of Illusions. The region produces a variety of microclimates which produce distinctive flavors, that lovers of fine tea prize to this day”

MBTR - 1003

MBTR - 1004

KANDY FBOP

“Carefully hand-picked tea leaves from the mystical Kandy highlands of Sri Lanka, this dazzling brew of Ceylon Black tea boasts great benefits of health and Spirituality. Truly a Magic potion in its own right”

CEYLON BLACK TEA
ORANGE PEKOE - OP

ORANGE PEKOE - OP

A fine blend of black tea, highly aromatic with a full bodied liquor boasts of strong character and soft notes of unique flavor

MBTR - 1005

CEYLON BLACK TEA

BOP

RUHUNA BOP

“Full-flavored but yet so subtle and light, cultivated amongst the famed coastal tea growing plains of Sri Lanka producing a long beautiful green tea leaf-. the Ruhunu broken orange pekoe is a distinctively unique Sri Lankan specialty”

MBTR - 1006

KANDY BOP

“Delivering a harmonious cup with full-bodied liqueur, this delicate infusion of pure Ceylon black tea with soft notes of a unique flavor is a heavenly treat to the most precious of palates. A magnificent brew of black tea that is fragrant and comforting”

MBTR - 1007

UVA – DEMODARA BOP

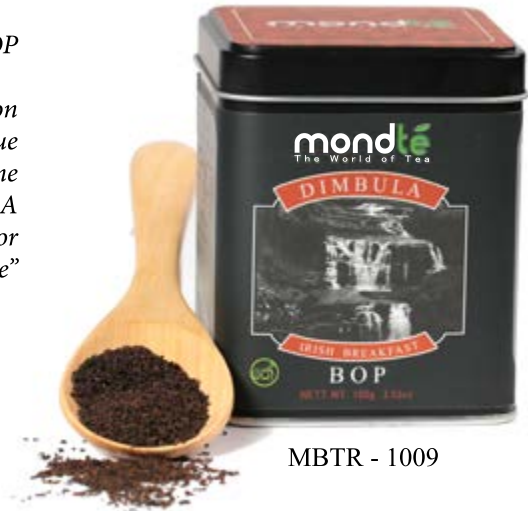

“Renowned for its exotically aromatic flavor and unmistakable character, an enigmatic variety grown in the remote hill valleys of the UVA province this tea is shaped by the winds of the northeast and southwest monsoons then processed into a smooth, mellow cup of Ceylon black tea”

MBTR- 1008

DIMBULA BOP

“An Exquisite brew of Strong Ceylon Black tea that boasts of Unique Character and infuses a beautiful fine Golden-Orange hue in your cup. A perfect couplet with a dash of milk or just as enticing alone”

MBTR - 1009

NUWARA ELIYA BOP

“From the Salubrious Central highlands of Sri Lanka situated 6,600ft above sea level, Nuwara Eliya Tea is a renowned signature tea embellished with a natural mild fragrance and a lingering aftertaste. A cup of English breakfast tea to be enjoyed hot”

MBTR - 1010

CEYLON BLACK TEA

SLIMMING TEA

Slim Tea is an ideal combination of refreshment and a health drink consists of Senna leaf, Fennel, Cinnamon, Rosehip, ginkgo leaf and Garcinia, which are world renowned for their herbal, health and wellbeing properties. Add to this the flavoring of Apple and the result is a tea that can be enjoyed at any time of the day and most importantly makes you feel healthy with every sip.

RELAX TEA HERBAL

This tea is infused with Peppermint, Lime tree flowers, Lavender and Rosehip which are famous for their calming properties. The inclusion of lavender in the ingredients not only calms the senses but also provides additional health properties. This beverage will relieve you after stressful jobs, which can be enjoyed any time of the day.

MWBL- 6001

ENERGY TEA

This tea consists of carefully selected ingredients such as Hibiscus, Orange, Ginseng, Rosehip, Apple and Linden, famed for their medicinal properties in boosting the immune system, detoxify your body and improve blood circulation.

MWBL- 6002

DIABETES TEA

This tea is infused with Green tea, Cinnamon, Bitter gourd, Fennel, Licorice, Rosehip and Marigold, which researchers believe that they are better able to metabolize sugar.

MWBL- 6003

MWBL- 6004

DIGESTIVE TEA

This tea is carefully designed in order to bring relief for those who suffer from indigestive problems. Consists of Peppermint, Chamomile, Star Anise and Lemon Balm. Each of these digestive support ingredients is complex and deliciously intriguing blend of herbs and botanicals traditionally used to soothe and support digestion. Great choice for gas relief, relieve nausea, bloating and stomach cramps.

YOGA TEA

Every cup of tea is expected to provide a calming effect. The inclusion of lavender in the ingredients not only calms the senses but also provides additional health properties; as do the Lotus, Jasmine, green and black tea. A tea that can be enjoyed morning, noon or night but is always refreshing.

MWBL- 6005
